## Happy 4th of July

The 4th of July always means that summer is in full swing. The days are long and hot but somehow we'll survive. The fresh veggies help. I hope everyone enjoys the long week-end and I hope your family will be able to visit. The day is for celebrating and what better way than with family. The Center will be closed Friday July 3rd. I plan to enjoy a long week-end.

## Summer Youth Program

The summer youth program is over and it was another successful month. Everything worked out well and I did not mind the noise too bad. Now we start the work of cleaning the building and getting ready for y'all to come back. We will be hosting our events at the center this month as usual.

## Birthday Party

We will celebrate on July 8th with our members who have a birthday during the month. With the offer of cake, ice cream and snacks at 1:30 PM we get to enjoy their party too. You know there is always surprise games. We will be back at our home so plan to join the fun and get ready to celebration.

## Senior Trip

The senior trip I have planned this month is to the Mobile Museum. It is located downtown and I understand it is a nice place to visit. We will leave the center at 9:30 AM on July 15th, visit the museum, head west to visit Morrison's cafeteria for lunch; then we'll jump on the interstate and head home. Call me to sign up for the trip. It sounds like fun to me.

## Ice Cream Party

Instead of a lunch trip let's use the cool air in the civic center and cool our bellies with ice cream. The party will start at 2 PM. You can have the early part of the day to work in the yards, eat lunch, take a cool shower and come to the center for desert. I plan to have vanilla, chocolate and strawberry with toppings. You can make a sundae or a banana split.

## Kitchen Staff Meeting

If you are interested in helping in the kitchen from August until December, Please attend this meeting. Bring your calendar. I would like to get the schedule worked up for the rest of the year. July 21st at 10:00 sounds like a good idea to me. I will have the coffee hot and afterwards you can go out to eat lunch (my treat).

## We Still Paint

I am planning for the painters to come during the month of July. We have changed our meeting day to Monday but the time remains the same (1-3). Drag out those paintings you have started and bring them up to finish them. We always enjoy the company and the finished product.

## Coffee & Tea

We continue our meetings on Fridays. We enjoy snacks, coffee and tea, and catching up on current events. You never know who or what we may be discussing. Fridays from 9-11AM is the time to check it out. There will be no Coffee and no Tea on July 3rd since we're closed.

## Red Hatters

No one knows what the red hatters are up to (even them). They are spur of the minute gals and just go with the flow. Their meeting in July will be on the 16th. You will need to contact Ellie McGehee (583-1036) to find out the details. She can help if you are interested in joining.

Drive Safe and enjoy the day.

## Free Ladies Workout

Renee Williams leads the ladies of the community in an exercise program on Mondays and Thursday that start at 5:45. You will work up a sweat and burn some calories. Stop in; remember, it's **FREE**.

## Game Day

Since July is so HOT, why don't we try having some heated games at the Center. I will make sure the A/C is cranked down to keep us cool headed. We will gather in the Senior Room on July 14th at 1:30 for the game of your chose. I'll even have the coffee ready and if you are lucky I might fix a snack or two.

Come enjoy a cool building and the competition of the game.

## Pot Luck Lunch

We are back at the Center for our Pot Luck Lunch in July. It's a good thing with the heat like it is.

We will gather at Noon on July 29th for some good eats and good fellowship. I am ready to get together again. Bring a friend so they can enjoy the fun too.

I am looking forward to all the good cooking from you folks. We can visit and enjoy the cool for as long as you like.

## Planning Committee

We will have a short meeting on July 7th at 9:30. The committee likes to review the upcoming events and we can fine tune them as we go. Plan to come if you can as your input is also welcome. The committee is having trouble coming up with new and different things. Ideas are welcome.

## What's on my mind . . .

Last month I was counting down the days until the SYP was over. Now I am counting down the days until we re-start breakfast. There is a lot of work to do to clean up the place after the kids have been here. But we want the center to be clean just for you.

We are scrubbing and polishing everything getting ready for y'all to make it back.

I hope you will join me for the activities that are planned for this month; then on August 11th we will begin our Tuesday morning get together again.

Come see me, Miss you,  
Beryl
