Welcome Back and Happy 2018

With each new year we usually reflect on the old one. As we do, we realize that the year 2017 was both good and bad. We have lost friends and neighbors and made new ones. We have tried new things and some of them worked but some of them did not.

It is now time to renew and look forward to a new start with anticipation and optimism. Let's begin our new year with a full calendar. I'm ready to get started, what about you?

Monroe Crossing is Coming

Get ready for **January 31**. That is when Monroe Crossing will be at the Civic Center in concert. The cost of the show is \$15 with advance request for tickets and \$17 at the door. The seniors will be offering the refreshments and if you want to help with that or the ticket sales, you can get in free (just let me know if you can help).

The show will begin at 6:30 with the opening act by Silver Creek and Monroe Crossing will take the stage at 7:00. This is a popular performance and you will enjoy the music. Plan to be here.

Our First Birthday Party of the year

We will start our month off with the Birthday Party for all our members with a January birthday. It must be nice to have a birthday the first of the year. Many of us have to wait. The partying will begin at 1:30 on **January 3rd**. We will be over all the football games by then and can enjoy seeing each other. Come participate in the celebration with games, cake, ice cream

We are ready to start Breakfast

Ready, Set, Let's Go. **January 9th** we will start serving weekly breakfast. We eat at 8 AM and visit from 7 AM until everyone is ready to go home.

The Camera Club has

been meeting at the Fire House but they will begin their gab sessions at 9 AM after we eat.

We can always use help in the kitchen to do the cooking. If you

are interested in helping, let me know and we can work you into the schedule.

Breakfast is one of our biggest events and we would love to have you here too.

Lunch Bunch

Ready to take a trip to eat? I know you feel like you have done nothing but eat for the last few months but lets go get pizza. We can go to Foley and have pizza at CC's. We will leave the center at 10:30 AM so we can be first in line for their buffet. Something good, hot and greasy is just what we need to get back to normal. Be sure to sign up for the bus trip at our first Breakfast. You never know, we might stop in at the Outlet stores to see if there is any bargains left.

Friday Fun

Friday fun is having Coffee & Tea with your friends and me. We enjoy snacks, coffee and tea and especially the conversation. Some of us say that the week-end can't start without this event.

There are days when there is only four or five and then there

Game Day is Back

We seem to enjoy our game day so it will remain on Thursdays from 1-3 PM. There are about six to eight of us that enjoy the afternoon of competition. Come see if this is something you might like too.

Just from Me

While I enjoy the Christmas season, I am glad that we are now back to normal. I have missed visiting with you and seeing your smiling faces. My New Years

Time to hit the road again

Join me and the group for a trip to see the Orange Beach Indian & Sea Museum. We have never been there so let's go see what it is about. We will stop at the Shrimp Basket for lunch and then head to the museum. That way we can walk off the meal. The bus will pull out from the center at 10:30 AM, we will eat close to 11:00 and then see the sights after we enjoy the food. Put on your walking shoes since we want to see everything there is to see.

Pot Luck Lunch

This month we will hold Pot Luck Lunch on January 24. We will eat at noon and the food is always good.

Bring a dish and a friend to enjoy the meal and join in a few rounds of Bingo. Kim Smith with Springhill Hospice has volunteered to call the game and you never know what prize you could win.

Since Monroe Crossing will be here on the last Wednesday (31st) we will make sure we have our Pot Luck Lunch for January.

are days where we have to pull up extra chairs. We don't mind being a little crowded.

We have some lively discussions about today's news and the good old days. You need to stop in from 9-11 AM to see what (or who) we are talking about. It is a

good way to start your morning and a great way to meet and visit with friends and neighbors.

We would love to see you at our next meeting of the minds. Your input might just be the things that solves the problems of the world.

Craft Day

Interested in learning a craft? Sign up for the Pony Bead Class on Monday January 22 to learn to make pin. We will get together at 1-3 PM to try our hand.

Yoga is back on Mondays and Thursdays from 3-4 PM. Come see how easy it is to get back in shape.

Resolutions is that I can offer a variety of events to encourage you to participate is all of them. If you have anything you would like me to offer, let me know. I

love to hear you ideas on trips, restaurants and activities. I am always open to suggestions. Thanks for being part of my life. I love being a part of yours.
