

Loxley Civic Center News

February is upon us

We have suffered thru some really cold weather but hopefully it will settle down and be a little normal. The good thing is you can stick around and the weather will change. This month will be a short month but I am packing it full of fun things for us to do.

Take a look at the newsletter and make plans to come as often as possible. I encourage you to bring a friend and get them involved too.

Start the month with a party

We will start our month off with the Birthday Party for all our members with February birthdays. The partying will begin at **1:30 on February 7th**. We will be over all the football games by then and can enjoy seeing each other. Come participate in the celebration with games, cake, ice cream and snacks.

Valentine's Day Lunch

Tina & I want to cook lunch for you on Valentine's Day (**February 14th**) We will be offering Lasagna, Salad, Garlic Bread and a Desert. The problem we have is knowing how many to cook for. We will eat at Noon and want everyone to come. Just call me or sign up so we will have enough food. The plan for Valentine's Day is food, fun and fellowship. I hope you will be a part of it.

Lunch Bunch

We need to go to Gulf Shores for our monthly lunch trip. On **February 21st**, we will be eating at DeSota's. It is one of our favorite places and we will get to enjoy the trip together. Plan to leave the center at 10:30 AM so we can be first in line for their brown bread. Sign up for the bus trip at our next Breakfast.

Breakfast if going at full force

We are once again enjoying breakfast together each Tuesday at 8 AM. We start the visiting early and stay as long as we like.

The Camera Club has restarted their gab sessions from 9 AM until they are ready to eat again. Then they head out for lunch.

Breakfast is one of our biggest events and we would love to have you here too. I love meeting new people and hope you feel you can bring a friend.

Pot Luck Lunch

This month we will hold Pot Luck Lunch on **February 28th**. This will be a special day since that is my Dad's birthday. We will eat at noon and the food is always good. Bring a dish and a friend to enjoy the meal. I always enjoy this event since I get to eat your cooking. I hope to bring some friends myself. See you then.

Game Day is Back

We seem to enjoy our game day on **Thursdays from 1-3 PM**. There are about six to eight of us that enjoy an afternoon of competition. There is always room for one more at our table and if it is too crowded, we can add another table. The games are designed to keep your mind working and your hands moving. Come see if this is something you might like too.

Friday Fun

Friday fun is having Coffee & Tea with your friends and me. We enjoy snacks, coffee and tea and especially the conversation. Some say that the week-end can't start without Coffee & Tea.

We have some lively discussions about today's news and the good old days. You need to stop in from 9-11 AM to see what (or who) we are talking about. It is a good way to start your morning and a great way to meet and visit with friends and neighbors. We would love to see you at our next meeting of the minds. Your input might just be the things that solves the problems of the world.

Craft/Painting Day

I am proud to announce that my painters are coming back. We meet on **Mondays from 1-3 PM** and enjoy the company while we practice the craft. We are a small group but have a variety of interest. We use watercolors, acrylic paints, and oil paints. While each of us bring our own supplies, if you are interested in trying you hand, I have enough supplies that you can see if you enjoy the craft as much as we do. Come see what we are doing and maybe give it a go.

Happy
Valentine's
Day

**Yoga is back on Mondays
and Thursdays from 3-4
PM. Come see how easy
it is to get back in shape.**

Happy
Marti
Gras

Just from Me

The month of February is special to me. During the month I celebrate 10 years of being at the Civic Center and hopefully making your lives a little better. Then

comes Valentine's Day where we all get to express our affection for one another.

There is another special day during the month when me and my

family celebrate Dad's birthday. All of these make February a very special month to me.

Thanks for being part of my life. I love being a part of yours.
