

# Loxley Civic Center News

## March is here

Are you ready? We will see the return of Daylight Savings Time on March 11, St. Patrick's Day on March 17th, Spring will begin on March 20th, and Palm Sunday on March 25th. This will be a busy month. Just look at all the things I am offering too. It is getting that time of year to get out of the house and become involved.

## Party, Party, Party

We'll start the month off with the Birthday Party for all our members with March birthdays. The partying will begin at **1:30 on March 7th**. We are seeing better weather now so it is a good time to start getting out and about. Come participate in the celebration with games, cake, ice cream and snacks.

## Lunch Bunch Trip

We have been stuck inside for the last couple of months and now it is time to get out enjoy being together. We are heading to the Gulf Island Grill in Gulf Shores for lunch on March 14th. Leaving at 10:30 AM, we will enjoy some good food and good fellowship, Join us on the trip.

## Senior Trip

The trip I have planned for March is to the History Museum of Mobile. The exhibit showing is "Titanic Honour & Glory." Established in 2002, the exhibit displays artifacts from the Titanic, her sister ship (White Star) and props and costumes from the movie. We will be able to learn the history and personal stories of many of the passengers. We will leave the center at 9 AM on March 21. The admission to the Museum is \$9.00. We'll have lunch in Mobile after the visit. This should be an informative trip.

## Breakfast is going at full force

We are enjoying breakfast together each Tuesday at 8 AM. We start the visiting early and stay as long as we like. Breakfast is one of our biggest events and we would love to have you here too. I love meeting new people and hope you feel you can bring a friend.

The Camera Club has a gab session from 9 AM until they are ready to eat again. They enjoy their visits and encourage new folks to join too.

## Pot Luck Lunch

This month we will hold Pot Luck Lunch on **March 28th**. We will eat at noon and the food is always good. Bring a dish and a friend to enjoy the meal. I enjoy this event since I get to eat your cooking. I always say you can try something new since there will be lots of people to let you know if they like it or not.

## Game Day is Back

We do enjoy our games on **Thursdays from 1-3 PM**. There are about six to eight of us that enjoy an afternoon of competition. There is always room for one more at our table and if it is too crowded, we can add another table. The games are designed to keep your mind working and your hands moving. Come see if this is something you might like too.

## Coffee & Tea with me

Friday fun is having Coffee & Tea with your friends and me. We enjoy snacks, coffee and tea and especially the conversation. We have some lively discussions about world events and the good old days. Stop in from 9-11 AM to see what (or who) we are talking about. It is a good way to start your morning and a great way to meet and visit with friends and neighbors.

## Craft/Painting Day

I am excited that our painters are back. We meet on **Mondays from 1-3 PM** and enjoy the company while we practice the craft. We have some new people joining in the fun. They say they can't paint but their pictures come out looking good. Each of us bring our supplies but if you are interested, I have extras so you can see if you enjoy the craft as much as we do. Come see how relaxing it is.

**Yoga is back on  
Mondays and Thursdays  
from 3-4 PM. Come see  
how easy it is to get  
back in shape.**

## Need a New Easter Bonnet?

**March 12th** will be a good day for shopping. The time will have changed, hopefully the weather will be nice and we can go look for a new Easter dress (or just something new) We will leave the center at 9:30 AM going to Pensacola on a hunt for the best bargain. Bring your coupons and lets see what we can find. Don't miss the bus.

## Just from Me

As I start another decade of working with and for you, I hope you know by now that I am always open for suggestions. They can relate to places to go, restaurants to visit or things to do in house. I love to hear your ideas and try to make them work with our calendar. Let me hear from you.

Summer is coming fast and so is the Summer Youth Program. We will have 8 more weeks before the kids are here so come often and enjoy the time we have together. See you when I see you. Beryl
