

Loxley Civic Center News

It's time to start again, Let's go!

I have a lot of things scheduled for this month so be sure to read the newsletter and be here when you can. It's time for us to get this party started. There are a lot of extra's planned and I hope you will enjoy them. We'll hit the ground running this month so put on your running shoes. Ready, Set, Let's Go!

The First Thing is the Birthday Party

Our Birthday Party is normally held on the first Wednesday and this month that will be **August 1st**. It begins at **1:30** for fun and excitement. Come join the party and celebrate with our August Members. Cake, Ice Cream and Snacks are on the menu.

Lunch Bunch Trip

The lunch trip for August will be to LA Barbeque. It is one of my favorite places to eat and especially their Potato Salad. The group will leave the building about **10:30 AM on August 8th** and eat about 11:00. There is nothing like a good old Barbeque Sandwich with baked beans. Ride the bus or meet us there but you don't want to miss the fun we plan to have.

Next comes another Surprise

The Pensacola Little Theater is having a production of "Mary Poppins" and **August 9th** will be half price night. Want to go? Sign up for the bus ride and your ticket. The play will start at 7:30 so we will plan to be there at 7 PM. These have always been worth the trip. We will leave at **6 PM** so don't miss this opportunity.

Now for the Good News

We will start having breakfast on August 14. I have missed seeing everyone and I am ready to begin our breakfast. As always, plan to eat well and visit long. The DAV folks will be joining us in September and we will have it down pat by that time. Our Camera Club will start meeting here after breakfast and they know how to visit long for sure.

Want More?

What about another episode of "The Cody Show"? Last month y'all got to see part of the first season and I will be catching up so we will all be on the same level. We'll watch as much as we can on August 15th from 1-3. Popcorn and drinks will be provided. I might even spring for a candy bar or two.

Still Want More?

How about an Ice Cream Party? Remember when we went to family reunions and the adults made home-made Ice Cream? That's what we are doing on **August 22 at 1 PM**. While it is freezing we can play some yard games but I don't want to be outside so we'll just use the auditorium. You don't have to bring anything but your appetite and all we are having is the ice cream. Come enjoy the cool of the building and the brain freeze of the ice cream.

Pot Luck Lunch

We are back to having Pot Luck Lunch at the center on **August 29th**. It has been really hot and seems like it is getting hotter. I am really enjoying the cool comfort of the building. Bring you favorite dish and a friend and enjoy our time together. I love Pot Luck where I get to eat your home cooking.. We will eat at **12 noon** and get to visit and catch up. See you there.

Game Day

We do enjoy our games on Thursdays from 1-3 PM, so we will continue getting together. We are very competitive and enjoy being together. There is a lot of giggles and laughter and we are growing in numbers. Come join us and see how much fun we are having. We are willing to try some new games if you have any ideas or request.

Coffee & Tea with Me

It wouldn't be Friday without Coffee & Tea. This is a restful time where we can talk about our week and our plans for the weekend. We can talk about just about anything and at one time or another we probably have. Remember if you don't show up we might even talk about you. We have coffee and hot teas and some kind of snacks. It is always a good time. Come and see.

It's Membership Time Again

Our membership drive is now going on for the year 2018-2019. This annual fund raiser is used to enrich the senior experience at the civic center. Last years project was to purchase and install an air conditioner in the kitchen. That room gets really hot when we're cooking and this will make it a lot more tolerable. The cost of membership is only \$5.00 per person for the year and if you are 90+ you are an honorable member. Take a look at the attached information sheet to see if your membership cost will be offset by the benefits. You will also see the application if you decide it works for you.

Just from Me

June and July have been trying months for me and my family. A roller coaster ride is a good way to describe it. I appreciate your help, understanding and prayers. I now know that y'all can carry on without me but I am glad you don't have too. For those of you that don't know, Lavonne passed away on Monday, July 9th. It was unexpected since she was due to be released on Friday. Dad has been doing well and I hope to get him active with us again. I am so ready for things to settle down and become boring again but life have a way of making that impossible. Thank you all for your concern and thoughtfulness.

Love y'all, Beryl

Membership Information

The membership goal is to keep our prices as low as possible and improve our senior experience. With today's economy prices continue to rise and we want all seniors to enjoy our events at a reasonable cost. The Town of Loxley sponsors our program and we want to use our budget wisely.

Senior membership is **completely** voluntary. Non-members are invited to attend and participate in our activities; however there are benefits to becoming a member. Membership affords you discounted pricing on our weekly breakfast, our transportation, you will receive our monthly newsletter and calendar via e-mail or postal service, you will receive a birthday gift during your monthly party, and a Christmas gift at the Senior Christmas party. Non-members can find a copy of the newsletter on Town of Loxley's website (townofloxley.org) or they will be available in hardcopy at the Civic Center.

With your membership you will be allowed to bring a guest at membership prices for any event. The application process is an easy form you complete, turn in with payment and is in effect from August 1 thru July 31 each year.

Who can become a member? Anyone. Everyone visiting our facility will be offered membership. Acceptance is an individual decision. Seniors 90 year old or older are exempt from membership fees and are considered honorary members.

How much does it cost? Everyone wishing to become a member will only pay \$5.00.

What happens to my money? The funds raised from our membership drive and the split the pot drawings are set aside to be used for Senior Projects that will benefit the group. Things we have purchased are the bus cover, the vent fan in the kitchen, a refrigerator, a projector, camera, and we split the purchase and installation of the kitchen A/C with the building budget. We want to make your experiences at the Civic Center great and we want to encourage you to be an active member.
