## July is going to be a better month

The month of June was not my best one ever but I am sure things are going to be better for July. First of all, the health of my family is getting better and that means I get to spend much more time with you guys. Many of you will be traveling and out of pocket but come when you can so we can enjoy our time together. I am missing y'all a lot.

## The First Thing

This month we will have some decisions to make in that the run-off elections will be held on **July 17th**. Pick your candidate, support them and be sure to come vote. This location is now the official voting place for many of us so during that day we will not have any senior activities but check out what I have planned for the rest of the time.

## Just Because We Can

We all know that Cody Harris is our local TV star so let's catch up with season one. We will do that on **July 10th** in the cool comfort of our building. We will meet for a 1:00 show time and see how he started. Time permitted, we may see part of season two or we may have to save that for another day.

## Birthday Party—Let's Party

Our Birthday Party is normally held on the first Wednesday but since that will be a holiday (4th of July) we will wait until **July 11th**. This party is usually a big one since we have so many people with July Birthdays but will be especially big because we are honoring the June and July folks. It will begin at **1:30** for fun and excitement.

## Lunch Bunch Trip

It's been a while since we went to Felix's Fish house. Anyone want to join me for our **July 18th** lunch trip? We will leave the center at 10:30 and arrive in time to beat the lunch crowd. The last time we were there was over a year ago and the food was good and the service was great. Let's try it again and compare notes.

## Want More?

How about Pie A La Mode? I will host the Pie eating event on **July 24th at 1-2 PM**. There will be a variety of pies to choose from and plenty of ice cream to go around. There is always room for one more but it would sure help me to know how many are coming. Call me to sign up and make sure you get your slice of the pie.

7/31	Ray Beasley

## Pot Luck Lunch

Thank goodness we are back to having our Pot Luck Lunch at the center on **July 25th**. It has been really hot. The Picnic was fun but way too hot. I am ready for the cool comfort of the building. Bring you favorite dish and a friend and enjoy our time together. I love Pot Luck where I get to eat your home cooking.. We will eat at 12 noon and get to visit and catch up.

## Game Day

We do enjoy our games on Thursdays from 1-3 PM, so we will continue getting together. We are very competitive and enjoy being together. There is a lot of giggles and laughter and we all get to spend the afternoon in the comfort of the center. Come join us and see how much fun we are having.

## Coffee & Tea with Me

It wouldn't be Friday without Coffee & Tea. This is a restful time where we can talk about our week and our plans for the weekend. We can talk about just about anything and a one time or another we probably have. Remember if you don't show up we might even talk about you. We have coffee and hot tea and some kind of snacks. It is always a good time. Come and see.

## Happy 4th of July

4th of July falls on a Wednesday this year and I am not planning any activities for Monday and Tuesday. Wednesday will be a holiday for me and I will start the month rolling on Thursday. Get ready to party, eat and enjoy our time together. We will be cleaning the building but we will work around it. Check out all the things I have going this month and come as often as you can.

If you are traveling during the holiday have a safe trip. If you are having company during this time, have fun. If you are cooking, you can always invite me. **Happy 4th of July**

## Just from Me

Normally, June and July are lonely months for me since we don't have breakfast but June has been a challenging time for me. I appreciate your help, understanding and prayers for me and my family. I have always heard that you know who your friends are when you run into trouble and I am so thankful for all of you. Lavonne had a heart attack on May 31st and was in intensive care for 14 days. It was touch and go for a while however, she has pulled thru. She is now in rehab at Montrose Bay Health and Rehab and doing well. Dad is a trouper and has been very supportive even though he has lung issues. I hope that during the month of July things will be getting back to a new normal and I can be back to work and participate a little more. Thank you all for your concern and thoughtfulness. Love y'all,

The Civic Center will  
be closed July 4th
