## Fall is Here???

The calendar tells us it is fall but the weather says something different. Here at the Civic Center it doesn't really matter since we adjust the temperature to fit the day. I hope you will like the things I have planned for this month. Come and be a part of our activities as often as you can.

## Good News

Our breakfast get together is going great. We have been having large crowds and I love it. I get to visit and fellowship with each of you (at least I try). I hope you enjoy our breakfast as much as I do. The Camera Club knows how to prolong the fellowship. Come see.

## Birthday Party

The September Birthday Party I had planned was canceled due to bad weather but that won't stop us from having a giant party in October. We will celebrate both September and October birthdays on **Wednesday October 3. 1:30** is the time for fun and excitement. Come join the party and celebrate with us. Cake, Ice Cream and Snacks are on the menu.

## Lunch Bunch Trip

Lets go to lunch. We haven't been to the **Stage Coach** in Stockton lately. It is a good place to eat, they have buffet and I really love their buttermilk pie. We will **leave the center at 10:00 AM on October 10th**. Sound Good? Sign up and let's go.

## Ready for a new wardrobe?

On October 18th why don't we take a trip to Pensacola for a shopping trip? We'll stop at the usual places and look for something new. Cut those coupons and bring your discounts. We will leave the center at 9:00 and shop until we are ready to eat. Then we will head home with all our finds. You might even want to start looking for your Christmas goodies. Sign up so there will be a seat for you on the bus.

## Senior Trip

We haven't been sight seeing in a while so why start now? Let's do something fun. We will be going to play Putt Putt golf. We will leave the center at 9:30 on October 24, have a round of golf and then eat at the Sunliner Diner in Gulf Shores. We'll see if we like the diner for a future lunch trip. Sign up and let's go.

## Pot Luck Lunch

Pot Luck Lunch will be on **Halloween (October 31st)**. We had a really good turn-out last month so let's keep it up. I think we are all ready for some cooler weather and comfort food. Bring you favorite dish and a friend to enjoy our time together. You are welcome to come in costume if you are willing. We eat at **12 noon** and get to visit and catch up. See you there.

## Game Day

We do enjoy our games on **Thursdays from 1-3 PM**. The group is growing and all are very competitive. We enjoy being together. There is a lot of fun and laughter. Come join us to see how much fun we have. There is always another chair at the table just waiting for you. I am thankful for the help y'all have given me in my absent. There will be a shopping day on October 18 but you can still play games if you don't want to shop. What a dilemma/Shopping or Games?

## Coffee & Tea with Me

It wouldn't be Friday without Coffee & Tea. If I run out of cups, I'll find more. We will talk about anything and we probably do. I enjoy getting to know y'all and talking about you when you don't show up. We have coffee, teas and some kind of snacks. Here lately, I have been the one missing so I bet you have had a lot to talk about. I hope some of it was good. Come see how much we enjoy our Friday.

## I'm making it official

We will start our painting sessions on Mondays (1-3) again. I hope you will be willing to try it. It is fun and if we have several people there we get to visit and paint at the same time. If you are looking for a place to spread out and go to town with a picture, come on down. We help each other and create something you will enjoy for years.

## A GREAT BIG THANK YOU

Hey Guys, we need to give Tina a big THANK YOU for all her help during my absent. She has keep our activities going when I couldn't. She is my rock. Her help and Ideas inspire me to come up with new and interesting things for us to try. Be sure to let her know how much she is appreciated.

## Just from Me

Your thoughts and prayers have been appreciated during the last several months. I think things are beginning to settle into a routine for me and that means I am back. My back troubles will probably be with me for a long time but I think I have it under control. Pop seems to be adjusting to his new situation and Al had surgery on September 20th for his broken arm and is now recouping from that. You will never know how much I appreciate your help and understanding during this trying time for me and my family. Knowing that the show will go on has taken one more thing off my mind. Now you are stuck with me and I will be in the middle of all our antics.

Love you all,

Beryl
