Ready for new beginnings

With each new year we usually reflect on the old one. The year 2018 was both good and bad. We have lost friends and made new ones. It is now time for a new start with anticipation and optimism. Let's begin our new year with a full calendar. I'm ready to get started, what about you?

Breakfast News

Our most popular event is Breakfast each Tuesday morning. We will begin on **January 8th** and enjoy the return of our eating at 8AM. We will get to enjoy each other's company and catch up on the Christmas and New Year news. Come early and stay late. The Camera Club will resume their get together at 9AM. Check them out too.

Birthday Party

Each month we celebrate our members birthday with a party. The January party will be on **January 9th at 1:30**. Come enjoy Ice Cream and Cake and see what else is in store for you. It's always fun and we get to have our first party in 2019.

Lunch Bunch Trip

Normally we have a monthly Lunch Trip and January is no exception. We will be off to Pensacola to eat at the **Poor Folks Restaurant on January 16th**. We will leave the Center at 10 AM. Be sure to sign up early since we will use our bus and enjoy the food and company.

Senior Day Trip

Our excursions will start with a trip to Mobile for a movie and of course food. We are going to west Mobile to eat at Kraver's for lunch and then go to the AMC 16 on Schillingers Road for the movie. I am sure we can find a movie to watch. Personally I hope "Mary Poppins" is still playing. Either way, I am sure we will enjoy the day. Mark your calendar for January 23 at 10 AM, sign up and let's go.

Pot Luck Lunch

My favorite activity is Pot Luck Lunch. That way I get to try new things and enjoy visiting with each of you. We will enjoy a home cooked meal on January 30 at Noon. Hopefully we will all be recovered from the holidays and ready to party and eat. See you then too.

**Be Silly. Be
Fun. Be
Different. Be
Wacky.**

**Be you,
because life is
too short to be
anything but
HAPPY!**

Yoga is back

Barbara Lovell has agreed to restart our Chair Yoga to be held on Monday and Thursdays. The first session will be on January 7th at 3 PM. She wants to get with the group to decide on the times and days that will work for everyone. After all the Christmas goodies many of us are ready to get back into shape. Come help make the decisions and participate in the program.

Coffee & Tea with Me

Anyone ready for Coffee and Tea to start again? I can't start my weekend without enjoying a cup of tea and conversation. We enjoy visiting and sharing with each other as well as some snacks. Each Friday sees us enjoying our time together from 9-11 AM.

Games are a must

There is a group of gamers that seem to need to play each Thursday from 1-3 (or 4 or 5). The number varies but usually 6-8 folks show up expecting to play a game of two. It is an enjoyable time to laugh and carry-on. You might want to stop in on afternoon and see if you can beat some of these pro players. Be careful, you might get hooked like the rest of us.

Find the artist within yourself

None of us are trained painters but we enjoy trying to make something pretty. There are only a couple of us that participate but it is fun and we get to laugh at our mistakes. Join us to see if you have an artist within. We will be glad to offer advise and criticism. We meet each Monday from 1-3. That way you can stay for Yoga too.

Camera Club

The Camera Club is a group of people that enjoy visiting and sharing their love and picture taking. Sometimes they may not talk about photos at all and other times that may be all they want to discuss. Their talent is something to appreciate. Check them out and see if that is something you would enjoy doing. Tuesdays at 9 AM is when they meet.

A Message from me

I hope everyone had a Merry Christmas and a Happy (Safe) New Year celebration. I was in bed by 10 PM, I'm a lot of fun, right? Now that all the holidays are over, it's time to start a new year of things to do at the Civic Center. I'm ready, are you? We will begin our activities on January 7th and you might as well be ready to get going. I hope you will enjoy the fun and adventure we will be having this year and I hope you will participate as often as you can. The more active you are the better you feel and the healthier you will be. That's a proven fact and my philosophy of life. Join me in making my life and yours a little better.

Love you all, Beryl
