## We are getting started again. Ready??

Since the State of Alabama is opened up with no restrictions, I think it is time we re-new our programs and get to going with the fun. We'll start off slow so you can get into the routine. We won't start breakfast until August like we usually do but let's go for July. Take a look at the planned events for this month and come as often as you can.

## There is going to be some changes but fun too!!!

As you may or may not know, I retired in October but will be here part-time and I'll be able to participate most of the time. However, I will need extra help. If you would be willing to help me out, I want to have a meeting to let you know what is what. We will get it together on July 15, 2021 at 2:00.

## Games will begin on July 8th

We will start the weekly games on July 8th . We will meet from 10-12 each week. It will be fine if you want to take a lunch break and then go at it again. The only stipulation is that on the 15th the games will have to be finished by 2:00 due to the fact that Municipal Court will be held at 3:00. There will be some days like that but we'll work around them.

## Coffee & Tea Anyone?

One of my favorite activities is Coffee & Tea so we will begin using the fancy tea cups on July 9th. It will be a pleasure for us to catch up on the last year and what is happening in the near future. Fridays from 9-11 is our time.

## Wednesday Activities:

"Wednesday" is our Senior day with something to do each Wednesday of the month. That will begin again in July:

July 14th will be a **WELCOME BACK ICE CREAM SOCIAL @ 1:30**

July 21st will be a **BIRTHDAY PARTY FOR ALL THE YEAR OF 2020 & THE FIRST 6 MONTHS OF 2021.** Let's do it @1:30.

July 28th will be our long awaited **POT LUCK LUNCH.** I expect lots of good cooking. We have had 15 months to practice and try new dishes@12 PM

## Just From Me

We've been through a lot last year but it is time to get back to life. Fourth of July is Sunday and I hope everyone can enjoy their family, friends and being able to become social. We at the Civic Center are ready to get started back. We will start slow and by August, we plan to have the whole program ready to go, eat and travel. I want see each of you during the month of July. I have my hugs waiting for you.
