## August is finally here

We will start our senior activities full force this month. It has been too long since we have all been together. We will be starting our breakfast meetings this month as well as getting back in the swing. Y'all come as often as you can.

## Birthday Party

Our Birthday party will be **August 11h @ 1:30**. This is where we'll have cake, ice cream and snacks for all. We surprise the birthday folks with some kind of game the August folks have to play. We have the Center ready. Are you? Don't miss it.

## Breakfast News

It is time to start coming to the Center for our regular Tuesday morning feast. We will serve our first meal of the year on **August 10th**. As always, we will eat to 8:00 AM and you are welcome to come early and fellowship as long as you like. I can't wait to get started. I think we are all ready for the action.

## Welcome Back Lunch

We will continue with our "Welcome Back" celebration with a catered lunch at the Center **on August 18th**. We will gather at the center at noon for a great meal and fun. Plan to attend and let's get this party started.

## Pot Luck Lunch

**August 25th at 12 Noon** is when we will have our Pot Luck Lunch. We will enjoy your cooking and the cool of the Center. I love it when y'all cook for me. I get some good ideas for my meals at home and I get reminded of older recipes that I forget to cook. Can't tell that I'm getting older can you?

## Coffee & Tea with Me

We enjoy coffee, tea and snacks each **Friday from 9-11**. It is good to enjoy each others company and find out what we have planned for the week-end. Come join the group and be a part of the fellowship. You never know what topic we will talk about.

## Games are a must

There are 8-10 folks that love games and are here for Chicken Foot dominoes. It is a fun game and we are really competitive. Join us each **Thursday starting at 9-11 AM.** We can show you how it is done or if you have a new game to try, bring it. On the first and third of each month we will be competing with having court in the building but that's okay, we'll be out before 3.

## Camera Club

With the re-start of breakfast, the camera club can restart their love their cameras and photos. Their visiting with each other is a favorite pastime. **Tuesdays at 9 AM** is when they meet. While they may not begin taking their pictures immediately, they will have some tales to tell, I'm sure.

## Once Again It's Membership Time but . . .

Normally we would be starting our Membership drive now but we have missed so much time with each other in the last year that we will not taking up money for that at this time. I think we have been had enough isolation that we need to just get out and about. This is a safe place to get together and it is something that we all need. Let's just enjoy seeing each other and having fun. Kinda "get back to normal."

## A Message from me

I may have retired but that won't keep me from being a part of the fun. I plan to be here as often as I can. While I haven't gotten all our programs going this month, I plan to work hard to offer as many "things to do" as I can.

We will start by getting our favorite things scheduled and then add the extras next month. We only have a couple of months before we start the holidays but I will try to keep you busy and active until we have to get even busier with entertaining family and friends.

I'm all ears when it comes to your suggestions about what you would like to see happen in our programs. I would love to hear from you. Let me know if you have found any new places to eat, places you have seen that would be interesting to visit and anything you would like to do. I'm open for suggestions.

In my mind, the main thing is to get active again. Sitting in front of the TV is not active and for us to stay healthy we need to be busy. This last year has taught us that we need each other and staying home alone is not the answer.

Love you all, Beryl

*Hello, August.*  
Surprise me.
