## For the month of November

Well, we are officially into the holiday season. Our November will start off with a Birthday Party and Veteran's Celebration, progress into a Pizza Party and movie, and finish up with a Thanksgiving Pot Luck Lunch. The week of Thanksgiving we will have no activities due to people visiting and traveling and then the month is over. Just another fast and furious month for us.

## Breakfast News

Our regular Tuesday morning feast will continue each week except for November 23. We will eat to 8:00 AM and you are welcome to come early to fellowship with friends and neighbors. Usually the fellowship is as good as the food. I hope to see you on Tuesdays.

## Happy Birthday

We only have 4 people that have November Birthdays but that doesn't stop us from having a party. On **November 3rd @ 1:30** we'll have cake, ice cream and snacks for all. You know me, I like to party. Do you? Don't miss it.

## Veterans Celebration

Hurray!!!! We are finally going to be able to honor our Veterans again. The celebration will be **November 5th @ 6:00** and we'll be able to enjoy the food and honor our vets. Come early to get a table and bring a dish. The town will be furnishing the meat so any dish will be good. It sure will seem like things are getting back to "normal" and we will be able to let our Veterans know how much we appreciate their service.

## Pizza and a Movie

On **November 10th at 12:00**, we will have a Pizza Party with a movie. I'm not sure what movie we will show but you can bet it will be good to eat pizza and enjoy the company of each other. I look forward to each visit we have. I've missed seeing everyone & plan to participate in everything.

## Pot Luck Lunch

Since we have a short month, I have moved our Pot Luck Lunch to November 17th. This is my favorite event and I don't want to miss your home cooking. We have all been cooking too much and I'm tired of mine. Bring a dish and enjoy.

## Let's get in Shape

With the holidays upon us, lets start exercising and get in shape. Barbara Lovell has agreed to lead us in the program. We will have a meeting **Monday November 1 @10 AM** to get organized and see what kind of exercises we will be able (and willing) to do. We will begin our work-outs on November 8th @ 10 AM. Come join us.

## Games are a must

If you are a gamer, We will only have two weeks we can play. The games are fun and we are really competitive. Join us each **Thursday starting at 10-12 AM**. We can show you how it is done or if you have a new game to try, bring it. On the first and third of each month we will be competing with court for the building but that's okay and there will be no games on November 11 and 25 due to holidays. Let's play while we can.

## Coffee & Tea continues

Coffee & Tea is each **Friday from 9-11** and boy do we enjoy some lively conversations. It can be current affairs or what is happening in our community but you know we will talk.. Come enjoy the snacks, beverages and the company. I know I enjoy the fellowship.

## Just From Me

Thank you all for your continued participation. I understand how hard it is to get back to being social but we are doing a great job.

This will be a short month for us since we will not have activities the week of Thanksgiving. I know I will be preparing for my family celebration and many of you may be traveling to see your families.

We welcome back the Veterans Day Celebration that the town is proud to host each year. Even though we haven't held the event for the last two years, we are pleased to re-start the function that honors our heroes.

Don't forget we will have another change to the clock on November 7th. We will fall back an hour so be sure to set those clocks and don't be late.

Thanksgiving is a good time to thank God for all his blessings and for keeping us under his wing. I am grateful for the friendships and love I have with each of you.

Beryl
