## Happy Fall Y'All

As the weather cools off, we are going to be able to restart our activities. I am really excited to get going. I just hope that it will continue. We will begin our breakfast with a bang hosting the DAV once again. It will be good to see these guys. Plan to participate as much and as often as you can. We are all ready to get together.

## Breakfast News

Our regular Tuesday morning feast will get going on October 5th. As always, we will eat to 8:00 AM and you are welcome to come early and fellowship as long as you like. I can't wait to get to see y'all. I think we are all ready for the action.

## Happy Birthday

We are getting back into full swing and celebrate both September and October birthdays on **October 6th @ 1:30**. This is where we'll have cake, ice cream and snacks for all. We have the Center ready. Are you? Don't miss it.

## Pie & Coffee

I'm not ready to start having bus trips so I want to offer things to do at the Center. We will have a Pie and Coffee event on **October 20th**. After you have lunch, come up and have desert with me. It will be at **1:30** and we can enjoy a relaxing desert and visit. Sign up to insure that you get a slice of the pie.

## Soup & Sandwiches

Let's enjoy Soup and Sandwiches on **October 13th at 12:00**. I plan to make two kinds of soup and grill cheeses for lunch so you might as well join me and we might even break out the BINGO. Sign up so Simon & I will know how much to cook.

## Pot Luck Lunch

My favorite event is Pot Luck Lunch. **It's Back!** We will enjoy each others cooking and company. **October 27 at 12:00** is when we will get together for Pot Luck Lunch. Bring a dish and enjoy.

## Games are a must

There are 8-10 folks that love games and are here for Chicken Foot dominoes, Gotya' and Rummikub. It is fun and we are really competitive. Join us each **Thursday starting at 10-12 AM**. We can show you how it is done or if you have a new game to try, bring it. On the first and third of each month we will be competing with having court in the building but that's okay, we'll be out before they start.

## Coffee & Tea continues

We are continuing to offer Coffee & Tea each Friday from 9-11 and boy do we enjoy some lively conversations. It can be current affairs of what is happening in our community. Everyone has their opinion and most are not shy to share. Come enjoy the snacks, beverages and the company. I know I enjoy the fellowship.

## Just From Me

Let's try this again. We have all been through so much in the last two years and our world has changed a lot. Some things have been for the better and some are not so good. One thing we have learned is to adapt to the changes and adjust to the new.

I am glad we are going to get back to our visits and outings and I look forward to being with people again. I hope you are all well and as ready as me to get back to our routine.

Y'all are going to need to be patient with things as I re-learn how and what we can and can't do. For example, our food ordering company has made changes and we are still learning how to order and plan for our events. You know it is hard to "teach an old dog new tricks"

I hope you are all well and ready to get rolling again. I will be working on doing just that . See you soon.

Beryl
